

GCI group exhibit at Brake Colloquium & Exhibition in U.S.

Brake Colloquium & Exhibition sponsored by Society of Automotive Engineers International (SAE)* will be held in San Antonio, Texas, U.S. from Nov 13 to 15 , 2023.

We, GCI group will exhibit our Products “MILEX” which shows excellent performance in friction material applications and will interact with participants and conduct PR activities.

We are looking forward to seeing you at our booth 414.

*SAE is non-profit organization in the U.S. whose members are mobility professionals, and many car-parts -related engineers from countries around the world attend.
