Gun Ei Chemical Industry Co., Ltd.

Kynol to Exhibit at CAMX 2026 – Composites and Advanced Materials Expo

We are pleased to announce that our subsidiary, American GCI Resitop, Inc., will exhibit at CAMX 2026, taking place from Tuesday, September 22 to Thursday, September 24, 2026, at the Georgia World Congress Center in Atlanta, Georgia. At our booth, we will showcase our core Kynol® product lineup, including flame-retardant fibers, carbon fibers, and activated carbon fiber products.

Exhibition overview

Exhibition name: CAMX 2026 – Composites and Advanced Materials Expo

Official website: https://www.thecamx.org/

Venue: Georgia World Congress Center, Building C

Address: 285 Andrew Young International Blvd NW, Atlanta, GA 30313

Booth: Hall C, Booth D18

Opening Hours

September 22 (Tue) 10:00 - 17:00

September 23 (Wed) 09:00 - 17:00

September 24 (Thu) 09:00 - 13:00

Highlights

We look forward to welcoming visitors and demonstrating how Kynol® materials deliver performance in demanding environments.

From flame-retardant fibers to activated carbon fiber solutions, Kynol® applies advanced chemistry to meet challenges in aerospace, industrial, automotive, energy, and other advanced material applications.
